

smart 200 c

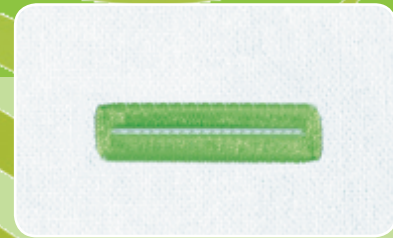

The smart 200 c has a variety of **101 stitches**, including 31 utility stitches, seven satin stitches, three cross stitches, 9 decorative stitches and one block alphabet..

Easy to use! The LCD screen shows the recommended presser foot for each stitch and the features that are activated.

Beautiful block alphabet included! Save your letter sequences in memory!

One-step-buttonhole! Sew the perfect buttonhole in one step. Choose from 11 different buttonholes.

Important features of smart 200 c:

- Many accessories are included to get you started, including the Free-motion/Darning Foot for easy free-motion quilting!
- If 101 stitches are not enough, mirror stitches and letters for even more variety. Save stitch and letter sequences in the built-in memory of your smart 200 c.
- Finish off your seams perfectly – immediately or at the end of the stitch pattern with the auto-lock button.
- The needle stays in the down position for easy pivoting in any thickness of fabric with the needle up/down button.
- Easily thread the needle with the needle threader.
- Presser foot pressure is preset and can easily be adjusted if needed for even fabric feed.
- A sturdy hard cover is included to protect your smart 200 c while not in use or while traveling.
